

BREAKFAST WITH BRAINPOP

Play a BrainPOP or BrainPOP Jr. movie and have your child complete the quiz during your morning routine. It is a great way to introduce a new topic, review a concept from school, or explore a current event in a complete yet concise way.

BRAINPOP ON THE GO

In the car, yard, or house, kids can take BrainPOP anywhere they want! The BrainPOP Featured Movie and BrainPOP Jr. Movie of the Week apps regularly deliver fresh movies, quizzes, and bonus features right to your mobile device.

SQUARE ONE

Need to select or research a topic for a school project? Have your child use BrainPOP or BrainPOP Jr. as a safe and reliable source.

BEYOND THE MOVIES

With BrainPOP and BrainPOP Jr., movies are just the beginning. From games to engaging graphic organizers, all of BrainPOP's features help bring learning to life at home.

RAINY DAY? HOORAY!

Does the weather have you down? Let your child choose a fun movie, game, or activity from our expansive collection of educational content on BrainPOP and BrainPOP Jr.

CONGRATULATIONS!

Use BrainPOP and BrainPOP Jr. movies as a rewarding incentive for positive behavior or the completion of chores and homework!

TEST YOUR KNOWLEDGE

Allow your child to occasionally take the quiz before watching the movie. This will call attention to main ideas and important details that are covered.

PAUSE POINTS

Stop the movie after the student letter is read by Tim, or each question is read by Annie, and have your child share what they already know about the topic.

TIM'S T-SHIRTS

Does your child have a flair for fashion? Let them create their own curriculum themed t-shirts like Tim's. These can be created on construction paper or kick it up a notch and allow them to use fabric paint on inexpensive t-shirts.

THE PERFECT APPETIZER

Only a few minutes until dinner? Show a BrainPOP or BrainPOP Jr. movie and soak up some serious learning in a short amount of time!

...OR DESSERT!

Play a BrainPOP or BrainPOP Jr. movie after dinner for the whole family! Take the quiz and try out some of the additional activities together. You might be surprised with what your child teaches you!
