8) Next, choose the **WRITE** tab and select **OPEN-ENDED** question. You'll notice you can write your own open-ended question, choose a point value for "grading" the question, and upload an image that can serve as a hint, prompt, or stem for the specific question.

9) Add more questions to your quiz and click **FINALIZE**.

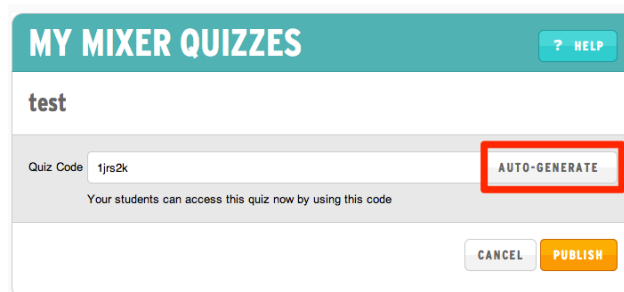

10) You will be prompted to share your quiz with the wider BrainPOP community. If you choose **YES**, a member of the BrainPOP production team will need to approve your quiz before it appears in search results. The quiz will appear for your students regardless of BrainPOP's approval.

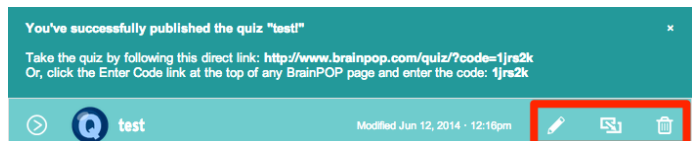

11) You can create your own quiz code or have BrainPOP auto-generate a quiz code for you.

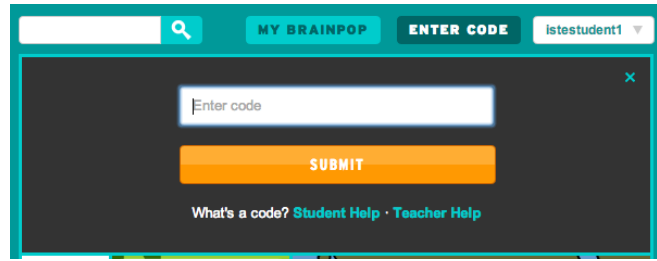

Students will take your quiz by entering the quiz code on BrainPOP.com.

12) Upon publishing, you'll see your new quiz appear at the top of your **MY MIXER QUIZZES** list. You'll also notice the EDIT, DUPLICATE, and TRASH icons. Many teachers differentiate assessment by selecting DUPLICATE and creating modified versions of the same quiz.

**** Extra credit! Log out as a teacher, and log in as a student. Enter the code and take the quiz!**

The screenshot shows the BrainPOP login interface. At the top, there is a search bar with a magnifying glass icon, followed by the text 'MY BRAINPOP'. To the right is a dark button labeled 'ENTER CODE' and a user selection dropdown menu currently showing 'istestudent1'. Below this header is a dark gray modal box with a white border. Inside the modal, there is a white text input field with the placeholder text 'Enter code'. Below the input field is a large orange button with the word 'SUBMIT' in white capital letters. At the bottom of the modal, there is a link that says 'What's a code?' followed by two links: 'Student Help' and 'Teacher Help'.
