Don't have a class code from your teacher yet? [Log out.](#)

You'll now be able to keep track of the movies you've seen, quizzes you've taken, and games you've played on BrainPOP. You can save your work and send it to your teacher for feedback.

To get started, you'll need to choose a security question and image, then enter the class code your teacher gave you.

Security question

Choose a question we can ask you in case you forgot your password.

Select

Answer

What's the answer to your security question?

Security image

Choose an image. You will need to get your password in case you forget.

Enter Class Code

CREATE ACCOUNT

4. Complete registration by selecting a security question.

This is an example of COPPA and is for a student to remember their password.

5. Pick any security image.

6. Enter the class code you were given and click CREATE ACCOUNT.
