

BrainPOP Jr. at Home

Have a heart-POPping Valentine's Day! Discover, play, and learn with your family.

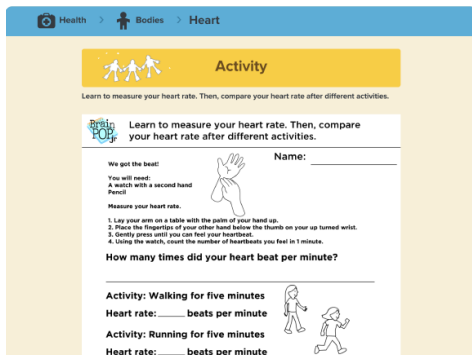

WATCH A MOVIE

Heart

Lub-dub, lub-dub, lub-dub... What makes your heart beat? How can you keep your heart healthy? Watch this movie with your child to find out the answers to these questions and more!

* SPARK A CONVERSATION

- *What's something new that you learned about the heart?*
- *What makes your heart beat faster?*
- *What are some ways you keep your heart healthy?*

PLAY, DRAW, & MORE

Heart Experiment

Compare heart beats with your child! Find out how walking, running, and eating affect heart rate.

Draw a Heart Healthy Picture

What can Moby do to keep his heart healthy? Have your child draw an answer.

Make-a-Map: Heart

Create a cycle map showing how the heart moves blood through the body.
