

# BrainPOP Jr. at Home

It's back-to-school time! Discover, play, and learn with your family.

## WATCH A MOVIE

### School

What's it like to go to school? Watch this movie with your little one and discover everything there is to know about school—from what happens there to jobs and rules, and a whole lot more!

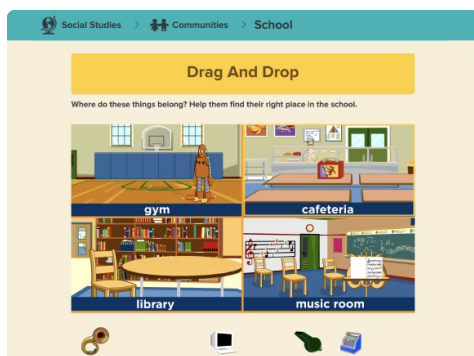

### Kindergarten

If your child is just starting school, watch this movie together and find out what a day in the life of kindergarten is like—and how much fun it's going to be!

### **SPARK A CONVERSATION**

Ease your child's first day jitters by talking about school. Use these prompts to spark conversation:

- *What are you most excited about?*
- *What do you still wonder about?*
- *What do you imagine your first day will be like?*

## PLAY & DRAW

### Drag & Drop Game: School

As your child drags and drops items to their correct place in the school, discuss each of the places and ask what happens there.

### Monster School Bus

Your child practices key problem-solving skills as she/he takes the wheel as the Monster School bus driver, planning routes to pick up as many little monsters in as few trips as possible.

### Draw a Picture

Drawing a picture about the first day of school is fun and can calm first day jitters!
