

Pacing Guide and Supporting Activities: Setting Goals in the New School Year

Grade Band: **Grade 3-5** | Duration: **5 Days**

Overview: Students first explore BrainPOP's Back to School 2021 topic which features strategies for setting themselves up for a successful year, and follow up with the Setting Goals topic, which details the SMART technique for goal setting: specific; measurable; attainable; realistic or relevant; and time-bound.

Unit Goal: Students will set a goal for the new school year using the concept mapping tool, Make-a-Map, to identify how their goal is SMART.
