

# OVERVIEW

Storyline is an audience engagement platform, launched in mid-2019, that helps promote data trends through an interactive quiz experience.

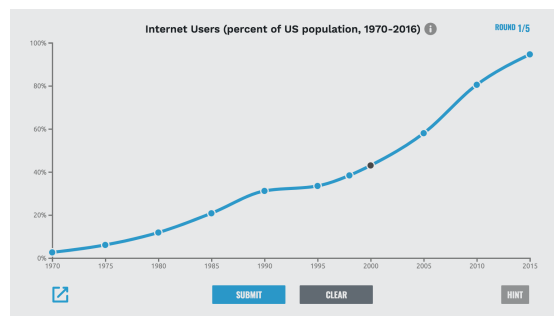

Storyline teaches students about trends in a fun and intuitive way.

**HOW IT WORKS** Try it out! [▶ https://www.brainpop.com/games/storylinemusicrecordingtechnologies/](https://www.brainpop.com/games/storylinemusicrecordingtechnologies/)

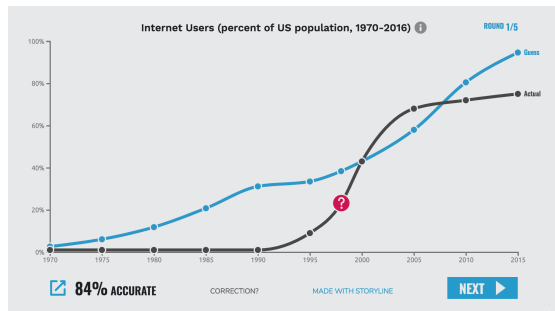

1 Student is given a blank chart.

2 Student draws their guess.

3 Correct line and score appear.

4 Results can also be visualized.
