ADVANCED PART 2 ACTIVITY

CCRA.R.8

Herb Benson Intake Notes

Mr. Benson is wearing many colored rubber bands on each wrist. **Water is leaking from the ceiling in his apartment, but the landlord won't fix it.**

Contact his landlord and find out why the leak hasn't been fixed. ✓

Mr. Benson was married for 41 years before his wife died last year. **He says his landlord wants to evict him because many people in the building have complained about him.**

To decide if Herb is really in danger of eviction, ask him more questions about the neighbors' complaints. ✓

Mr. Benson is a **retired car salesman**. He has 15 cats. **He has a wound on his head, which he says has been there for weeks.**

Encourage Herb to go to the Port Douglas Walk-in Clinic immediately. ✓

Mr. Benson has **asthma and allergies**, and he was on **anti-anxiety medication before he lost his prescription in the storm**. He is whistling loudly right now and says he whistles when nervous. He has two adult daughters who live out of state.

Ask Herb if he needs help calling his doctor to get his prescription replaced.
